Re: Park Board Appointment

There is a vacancy on the Park Board from the resignation of Mike Sconsa. His term was to end December 31, 2023. We advertised a while ago in the paper and only got one letter of interest from Sharon McLees who filled the Brad Boffeli vacancy. We readvertised on social media this time and have received two letters of interest. They are from Mark Manternach and Samie Simon. The City Council is authorized by ordinance to make this appointment. The Mayor recommends Mark Manternach. The Council could choose either candidate.

2-9-2 ORGANIZATION. The Board shall consist of five (5) members, all residents of the City, appointed by the Council for overlapping five-year terms. The Board shall choose its Chairperson and Vice Chairperson every two (2) years. Members shall receive such compensation as established by resolution of the Council. Vacancies shall be filled in the same manner as the original appointment.

I am interested in the volunteer position currently available for the City of Cascade Park Board. Being a mom of two children actively involved in activities that make use of the parks frequently and my passion for serving and caring for the people of Cascade, I would be thrilled to be a part of your board and assist in making effective, meaningful decisions.

Being the taproom manager at The Corner Taproom here in Cascade for the last year, I have been able to show my support and pride for this community! I am also on the Cascade Hometown Days committee where I have been able to assist in discussions and decisions that benefit not only the city but the citizens as well! My biggest goal for the aforementioned and what my goal will be on the park board, is to continue to get the community and businesses involved and informed on what options are available for them to take advantage of what there is to offer.

Thank you for your time and consideration!

Sincerely,

Samie Simon

Re: Bagging Recyclables and Garbage

Megan Oliphant has requested to discuss requiring items placed in totes to be bagged to avoid blowing out of totes or the truck. I have an email out to Matt Pivit from Republic Services, as I know this is not their preference, but want to know their thoughts on the idea.
